Subject: Pumping out Winning Sales Letters!

Dear Friend and Marketer,

You are moments away from the most incredible sales letter experience of your life!

Let me start by asking you a simple question. If you have a 100 mile journey in front of you, would you rather travel a gravel road, filled with pot holes, no lanes, and no guidelines to tell you how far you've traveled, or would you rather travel a nicely paved, clearly marked highway?

If have a job to do, and you'd rather use the most modern and powerful tools available, then you're about to have a big ol' grin on your face.

Why?

Because, I'm going to show you how to take a task that takes many marketers HOURS if not DAYS to do, and do it in a fraction of the time. And more - you'll do a better job, too!
